

IMPLEMENTING BEST PRACTICE MODELS

Inspiring governments and organisations to implement new ways of working (e.g., new models for patient treatment).

EULAR 2022

EUROPEAN ALLIANCE OF ASSOCIATIONS FOR RHEUMATOLOGY CONGRESS

During the congress in Copenhagen, a European campaign was introduced to showcase Denmark's rheumatic treatment strategy. The campaign aimed to inspire other countries to adopt this best practice model, which emphasises early intervention and multidisciplinary collaboration to enhance the quality of treatment in rheumatology.

Partners: European Alliance of Associations for Rheumatology (EULAR), the Danish Rheumatism Association, and Copenhagen Legacy Lab.

GLOBAL DIY-SUMMIT 2022

At the congress in Copenhagen, 37 exhibitors showcased their best practices on improving responsibility and sustainability in the DIY sector. The examples (e.g., sustainability actions and targets) were displayed on a 'wish' tree as inspiration to others. Afterwards, the insights were compiled into an annual digital trend report that was shared with the industy. The goal was to inspire the industry in the adoption of best practices to foster a more responsible and sustainable DIY sector.

Partners: EDRA (European DIY-Retail Association), HIMA (Home Improvement Manufacturers Associataion), and Copenhagen Legacy Lab.
